

Erasmus+ WILLIAM Safety and Security of International Students Zoominar

WILLIAM invites you to take part in a zoominar dedicated to best practices in building an emergency plan to support international students' safety and security.

Wednesday, March 3rd
10:00-12:00 Israel (+2 UTC)

Creating a solid support system for international students for their safety and security is an important foundation of internationalization. While we hope to never need it, it must be in place. This past year has shown us just how important such an infrastructure is.

Schedule

- | | |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 10:00-10:10 | Words of Welcome – Dr. Yael Israel-Cohen, COLMAN, WILLIAM Coordinator
